

How it Works

Choose your homework from the menu below. The higher the value suggests the difficulty or challenge the homework may offer.

Year 1 Pick 'n' Mix Homework

Summer 1

Bring your work back to school during the first week back after half Term.
13th June 2016

Penny Sweets (weekly)		Treats (3 x half term)	
Reading - school reading books - Fiction books, novels, short stories - magazines, comics, newspapers - websites, kindles - Non-fiction, information, recipe books <i>(Write them in your journal)</i>	 	Super Science Grow your own sunflower at home and keep a record of how tall it is.	  
		Awesome Alphabet Is there a dinosaur for every letter of the alphabet? Your challenge is to see if there is! I will start you off. A is for Apatosaurus B is for...	 
Practise- addition and subtraction to 20 - use a numberline - use objects - draw the balls out - find missing numbers. $6+?=14$		Crunch Thump Trump Cards Make dinosaur trump cards to play with your friends at school. You might want to include their height, weight, what they eat and how clever they are.	 
		Information Posters Create your fact poster about dinosaurs, a specific dinosaur or Mary Anning. It is your choice how to do this! You produced some fantastic woodland animal ones!	 
Learn spellings and phonics - Look, say, cover, write, check - Ask someone to test you - Identify the tricky part & a way to remember it - write a sentence using a spelling		Pentecost Our R.E this term is Pentecost and we are focussing on how wind change things and makes things move. Can you make something, or a poster explaining, that moves when the wind blows? Eg, balloon, trees, boat. You can make it as creative as you want!	 
		Model Maker Build or create a dinosaur mask that you can wear!	  
Maths Games - Mathletics LET'S GO FOR GOLD!		Difficult Dino Dilemmas. See below for some tricky dino problems to tackle! Remember to show how you worked them out! Make your own up if you dare....! Write your answers on the back	 
If you practise your spellings and practise your spelling and phonics for 5 days you could save 25p which is enough for 2 stickers on your new PHONICS sticker chart (see example below)! There will be a prize at the end when you get 20! Count up your total and write it in your journal.		These exciting treats are to be done by w/b 13 th June. You must do at least 3 treats and 2 must be worth at least 10p. Projects can be brought in any time that week. How much did you spend altogether? Remember to practise your phonics over half term!	

DIFFICULT DINO DILEMMAS!

1. There are seven T-Rex and five Raptors. How many are there all together?
2. There are 18 dinosaurs by a lake. 7 are herbivores. How many are carnivores?
3. A dinosaur has 3 toes on his foot. How toes would 10 dinosaurs have?
4. A stegasarus leaves his favourite tree and arrives home at 6 o'clock. The journey takes 2 hours. What time did he leave?
5. Some dinosaurs laid 20 eggs between them. They can bury them in 3 holes. Find all the different ways they could do this. Some holes might not have any eggs in! Show how you worked it out!

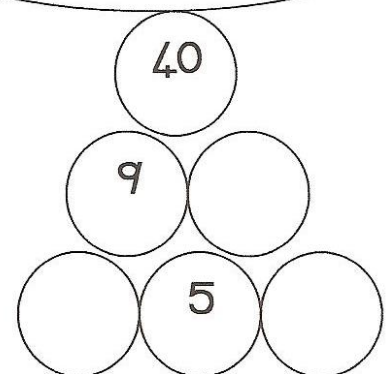

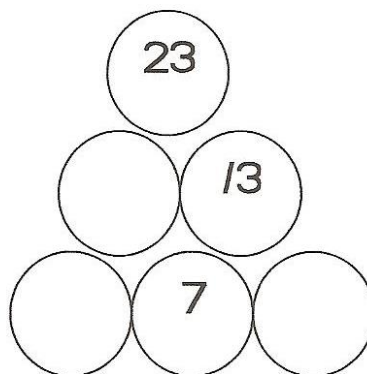

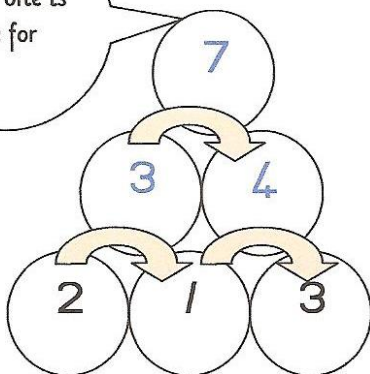

David the Dinosuar has set you a BONUS challenge! 5 stickers if you can work it out!

Math Pyramids

Add the 2 numbers next to each other in the bottom row and write the answer in the circle above those 2 numbers.

This one is done for you!
