Dear Parents and carers

What a fantastic week we have had in school. Our Neurodiversity week has been a huge success thanks to Miss Snelson and our team of SEND Ambassadors. A huge thank you needs to be said to Miss Snelson and her group of children for all the work they have done on developing our school communities understanding of neurodiversity.

Through the week we have had assemblies led by Miss Snelson. Mr Kirk Patrick and some of our children. Emily, Oliver, Eva, Ella and Elliot have been amazing at explaining about some neurodiversities such as autism, dyslexia and dyspraxia.

Their confidence to stand up in front of the whole school and talk openly has been outstanding. I am incredibly proud of all of them.

Should you wish to explore the area of neurodiversity further Miss Snelson has provided some useful links below.

We have also this week been fortunate to have some Street Dance workshops taking place in school on Wednesday and Thursday. Classes across the school were

treated to workshops on both mornings. I was particularly proud of the children in Year 5 and Year 6 who despite some apprehension about a street dance session produced some incredibly movement to the theme of James Bond.

## Parking

Parking continues to be a concern at the end of the day in particular. This is always exacerbated by any wet, cold and windy weather when more people arrive to collect by car. Please can I ask that we continue to be mindful or safe and considerate parking when dropping off and collecting children. I am mindful that this is not a problem just specific to our school and am always looking at solutions and ideas to help ease the situation. I am planning to start a working party so that school and parents can we collaboratively to find solutions to parking at these busy times. If anyone is interested in joining this please don't hesitate to contact me on:

We have had a number of people parking recently in our dedicated school bus parking space. Please can this be used by the bus only so that we can ensure the children can be dropped off and safely collected from school. I am also mindful that some children are collected by Grandparents so ask that this message is shared with all who collect children from school.

## Smart watches

We are seeing a number of children in school wearing smart watches. Whilst I am sure these are fantastic items to own for the children we ask that they are **not worn to school**. A number of these items do come with the function of being able to take pictures and this is happening in classrooms. Whilst we have not had an incident yet I do not want to be in a position where a photo taken during the school day of a pupil or teacher has been circulated on the web. Particularly as we have some children in school whose parents due not wish their child's image to be shared in this way. Whilst I appreciate this maybe disappointing for the children I am sure you will agree that there is a potential safeguarding risk involved with such items

## Sporting News

Yesterday a team of children from Year 3 and Year 4 represented the school in a Hockey Tournament at Deeside Ramblers. A huge thank you to Mrs Walker and Mrs Coney for supervising the team for the afternoon. I am delighted to report that the team won the competition beating a number of other local schools. Whilst we are super proud of their gold medals I was also incredibly pleased to hear that they were recognised for their fantastic behaviour and superb team spirit. Well done to our year 3 and 4 representatives!
