Dear God

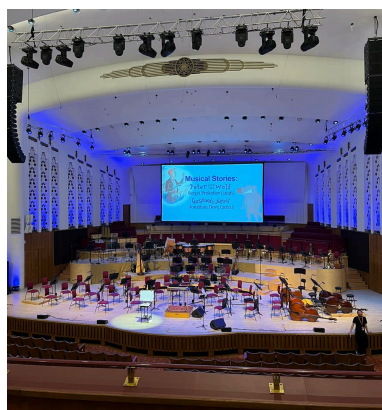

Thank you for everything we have learnt today. Thank you for our school, friends, food, water and play. Help us to always 'let our light shine.'
Amen

Dear Parents and carers

What a hot week it has been! Despite the heat the children have been fantastic as always and enjoyed all the rich and varied enrichment activities which have been taking place this week.

On Monday our Year 6 pupils took part in an art workshop with Chester artist Lucy Elizabeth Jones creating their Space Parade display banners and t-shirts. A huge thank you to Bunbury Parish council for funding this inspiring workshop. We look forward to sharing our masterpieces with you on Saturday.

Please come and support our PTA stall on Saturday and also cheer the Bunbury school team on in the school games.

On Tuesday our reception, year 1 and year 2 children visited The Liverpool Philharmonic Hall to see a musical performance of Peter and the Wolf. Our KS1 children were able to use their knowledge and understanding of the musical instruments representing each character as well as experiencing a live musical event. What a fantastic opportunity and thoroughly enjoyed by all.

Yesterday our Year 4 children visited Bridgewater Hall to mark the end of their year long brass music tuition. The children performed brilliantly and again soaked up the wonderful

experience presented to them. We are delighted that as part of our commitment to a broad and balanced curriculum we are able to offer pupils such a wide and extensive variety of opportunities during their time at Bunbury.

Of course none of these opportunities are possible without the commitment of our staff team who ensure that all children are given the opportunity to "let their light shine" in so many different ways.....

School Fest is back....

As you will be aware from our recent communication School Fest is back at the end of next half term from Monday 3rd July - Friday 7th July. I know that both staff and children are very excited at it's return and we are delighted to be able to offer a wider range of activities once again this year for all the children in school. A huge thanks needs to be said to our staff team for the commitment to the Schools Fest project and in particular Mrs Armitage for her organisation. I am delighted to say that after a large donation to our funding for the event we have been able to provide all the children with a Schools Fest t-shirt once again. During the week the children will take part in a number of activities. Favourites such as silent disco, forest schools will return with a few new and exciting additions. All children in KS2 will also be given the opportunity to take part in an overnight camp on the school field during the week.

Gentle continued reminders....Parking

Parking continues to be a concern around school. I have noted on several occasions this week cars parked opposite the school entrance and zig zag lines. **Whilst this is not illegal it is inconsiderate parking and does cause a real hazard at the start and end of the school day for children crossing the road.** Unfortunately, it does appear to be a number of grandparents who are parking here and they do not receive my regular text messages reminding about considerate and safe parking. Please can I ask that if grandparents are collecting/dropping off children at school that they are asked to park considerately and safely.

Our first Parking committee meeting will be on Wednesday 28th June in school at 3.45pm in Mrs Badgers office. If anyone else wishes to join us you are more than welcome.

School Payments

We politely request that you all login into your SchoolMoney account and clear any outstanding payments before the end of term. For those in Year 6, if you have credits remaining on your account, these will be used for any forthcoming trips the class will have and what remains will be either be transferred to a younger sibling or refunded back you at the end of the school year.
