Dear Parents/Carers

At Bunbury Aldersey CE Primary School we work hard to encourage a respectful environment. To 'be respectful' is one of our key drivers in our behaviour procedure and I am always very proud to hear about and celebrate children who show respect around school to peers, teachers and visitors.

At Bunbury School, we celebrate differences and educate our children to do the same. As Bunbury, does not have a very diverse community it is extremely important that our children are accepting of everyone and learn about respect. Respectful comments, words and behaviours to everyone within our own community and further afield are an important part of our PSHE teaching and learning.

Unfortunately, there have been a few times recently that we have needed to remind a small minority of our pupils about being respectful with some pupils openly making racial remarks to individuals in our school. This is not acceptable.

School, like you, do not want this for any of our children. Therefore, I turn to you for your support in helping the school to promote inclusion outside of the school hours by:

- Openly challenging any form of stereotype, prejudice, discrimination and inappropriate comments from your children
- Speaking respectfully about **everyone** in front of your children
- Educating that all forms of prejudice and discrimination are wrong
- Talking to your children about differences and being respectful towards those who are different to ourselves
- Visit exhibitions, places of worship and explore different cultures

Should you wish any support in talking to your children about respecting others, please don't hesitate to contact me. Together we can ensure our children celebrate and embrace difference.

Many thanks for your continued support.

Kind regards,

Nic Badger  
School Principal  
Executive Headteacher for RCSAT
