Monday 11<sup>th</sup> September

Dear Parents and Carers,

## Cities Global Project

This term we will be packing our suitcases, grabbing our passports and journeying to Cape Town, Moscow, Mexico City, Rome, Oslo and New York. Each class has chosen their city from the book *City Atlas* by Martin Haake. Led by talented and inspirational staff, the children will work in a variety of mediums and written genres over the autumn term. This will lead to a multi-sensory exhibition show casing all the children's work. The exhibition will be held on Thursday 30<sup>th</sup> November at 2-3pm and 6-7pm.

We would like to engage members of the community in our project, if you are able to offer any support we would greatly appreciate it. This might be in the form of a talk with the children regarding a particular city or job or interest you may have. We would also appreciate as many boxes (big and small), cardboard tubes, corrugated card (Amazon parcels are great for this!) and anything else perfect for junk modelling!

Displayed in our exhibition we would like to use pilot uniforms, air hostess uniforms and anything relating to your child's city. Please speak to your child's teacher if you are able to provide any of these items.

Thank you for your continued support.

Bon voyage!

Miss Cork and Mrs Moxley

Creative curriculum leads.
