

Mission Statement

Our Schools rejoice in their foundation as Church of England schools. The Christian ethos is both implicit and explicit in our practice, policies and procedures. Our Christian distinctiveness is evident everywhere; from the entrance, and the Bible verses displayed throughout the school, to the children's exemplary behaviour. Our values are based on the teachings of Jesus Christ and are theological and inclusive. They permeate the children's whole experience and are at the heart of our curriculum and school life in order for them to thrive in the wider world.

Attendance Policy Statement:

Good attendance is essential if pupils are to take full advantage of school and gain the appropriate skills, which will equip them for life. It is also important to ensure that our most vulnerable pupils are given the same opportunities, which may mean extra support in certain cases.

The school aims to achieve good attendance by operating an attendance policy within which staff, pupils, parent(s)/carer(s), local community and the Education Welfare Service can work in partnership. The school will monitor attendance and ensure quick and early intervention if a problem is identified.

All staff will encourage good attendance and will liaise with home and partner agencies if this is appropriate. Good attendance will be seen as an achievement in its own right and recognised as such by the school. The attendance policy is based on the premise of equal opportunities for all.

Aims:

- To improve the quality of school life
- To create a culture in which good attendance is 'normality'
- To demonstrate to pupils, parent(s)/carer(s) and staff that the school values good attendance and to recognise that good regular attendance is an achievement in itself
- To be consistent in implementation, both in terms of rewards and sanctions
- To value the individual and be socially and educationally inclusive

Objectives:

- To involve the children or young people more in their school attendance
- To improve communication with parent(s)/carer(s) about regular school attendance
- All school staff to continue to take responsibility for children or young people's attendance
- To recognise the important role of class teachers in promoting and monitoring good attendance
- To ensure time and organisation within the school to enable the AIMS and OBJECTIVES to be met
- Effective working relationship with Education Welfare Service, and the reporting of half-termly figures to the service

Targets:

- To have an effective means of collecting and monitoring attendance information
- To maximise the percentage of children achieving attendance of 95% or above
- To reduce absence percentage each year
- To continuously improve school attendance
- To target resources and implement where most appropriate and to undertake this within a reasonable time frame
- To keep parent(s)/carer(s), pupils and governors informed of policy and practice
- To ensure that the school is aware of government targets which may have been set for some vulnerable groups, such as Cared for Children.
