On Tuesday we held our very first No Pens Day in school. No Pens Day is organised by Speech and Language UK and gives children the opportunity to take part in listening and speaking activities all day without having to lift a pen or pencil.

As we all know some children find writing daunting, and equally some children struggle with being able to confidently speak aloud in front of their peers. Tuesday provided our children with a chance for our children to improve their speech, language and communication skills through the day with a range of talking and listening

activities – starting with the biggest ever show and tell! In celebration of No Pens Day, the day began with a whole school assembly, followed by a school wide Show and Tell. The children across the school took part in a range of activities using their speech and language skills - from RE discussions, to Greek plays and debating. A whole host of lessons took place without a single word written. There was a real buzz and hype of activity around the school as children learnt how to be more confident communicators and recognise the importance of using of voices. Thank you for your support and kind donations and to all the teachers for their delivery of some fantastic writing-free lessons!

On Wednesday the whole school visited the New Vic Theatre in Stoke on Trent to watch The Nutcracker. It was a fantastic live performance of this magical

story and was thoroughly enjoyed by all pupils and staff. Taking the whole school out for such a visit is a huge responsibility but I know our children always behave with respect and kindness when out of school. I am incredibly proud of all our children for their conduct during the whole day and it was a fantastic start to our Christmas festivities.

Thank you

All the staff and volunteers at Chance Changing Lives would like to say a big thank you for all our generous harvest donations and have sent a certificate to show their appreciation.

Attendance

Attendance at school is important both academically and for social/emotional reasons. Whilst we understand that pupils will be absent from time to time due to illness; absence from school for other reasons should only be for exceptional circumstances. I have received an increase in the number of holiday absence requests for holidays. As a school we look at each request for leave from school on a case by case basis and absences in term time will only be permitted under exceptional circumstances. Unless there are exceptional circumstances, holidays taken in term time will be unauthorised and maybe subject to a fine.

CERTIFICATE

OF APPRECIATION

THIS CERTIFICATE IS PRESENTED TO:

**BUNBURY ALDERSEY COFE

This certificate is an appreciation of your school for your Harvest Donation to Chance Changing Lives. Helping those in deep poverty.

Where attendance falls below 90% for any pupil, we will contact you to discuss this and put in any additional support if needed. **We are now working with an attendance family support worker, Elisha Wollaston, across the trust to support families where absence may be persistent or below our threshold.** This is a supportive role and is focused on putting in support as and where needed.

Each academic year has 190 school days, this leaves 175 non-school days for family time, holidays, visits and non-urgent appointments. If a pupil is absent for just 1 day each term that equals 6 days or 39 hours a year of lost learning.

Attendance at school enables us all to build a strong team and to strengthen our learning powers. Our overall attendance for whole school is currently 96.66% which is 1.59% above the national figure and above other North West schools.

Parking

Despite many previous letters about parking considerately, safely and legally around the school entrance and exit there continues to be some persistent unsafe examples.

Please can I remind and ask parents, carers and grandparents to park safely, considerately and legally when picking up or dropping off at school.

Double parking or parking opposite the school creates a real hazard to the safety of our children and we ask politely that this is not continued. Despite repeated reminders there is still some persistent parking on the zig zag lines and opposite the zig zag lines. We politely ask that this is kept a car free section of the road for the safety of all pupils and pedestrians.

As a school we promote kind, safe and respectful behaviour and we hope that this is reflected within our wider school community. PCSO Sharon Jones will over the next few weeks be supporting the school with our safer parking campaign and be monitoring round the roads adjacent to school to gently remind all about safe, considerate and legal parking.

As you will also be aware our school parking committee are working with me to drive safer parking for all around school. A number of parents are already on the committee however if you feel this is something you would like to support please feel free to join us and contact me on principalbunbury@rcsat.cheshire.sch.uk.

Our next meeting is on **Friday 8th December at 9.15am** - we will also be joined by members of Bunbury Parish Council.

Thank you for your ongoing support in making the journey to and from school as safe as it can be.

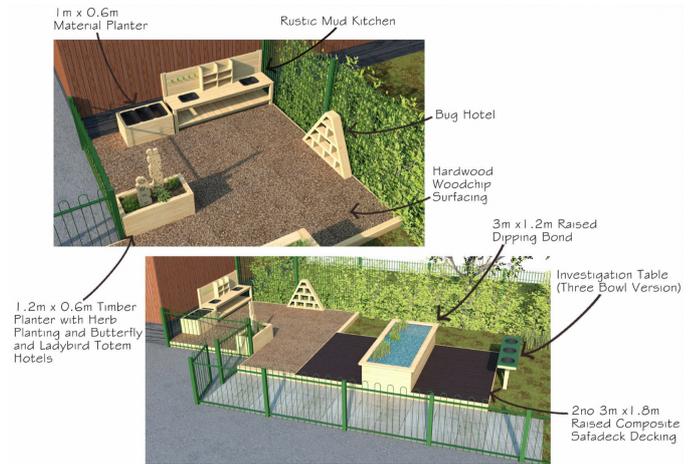

Friends of Bunbury School
