14th December 2023

Dear Parent / Carer,

Further below is the timetable for our after school clubs, which will commence during the **second week** of the spring term. Bookings for all clubs will open during week 1.

Club bookings will run throughout the whole of the spring term (until Easter) with the exception of Molecular Science Club and Multi-Sports Club which will both swap key stage group after the half term.

All clubs have limited availability and bookings are on a first come, first served basis.

ALL bookings should be made online via school spider to book/register your child's place. For clubs requiring payment, you will be emailed further instruction regarding the payment method once the booking form has closed on spider. Please make payment as soon as possible to secure your child's place.

All spider bookings will open **7pm, Monday 8th January and will close 9am, Thursday 11th January** to allow time for processing and completing registers. Apologies, bookings cannot be made after this time.
