Matthew 22:36-40

"Teacher, which is the greatest commandment in the Law?"

Jesus replied: "Love the Lord your God with all your heart and with all your soul and with all your mind.' This is the first and greatest commandment. And the second is like it: 'Love your neighbour as yourself.' All the Law and the Prophets hang on these two commandments."

Unicef Article 29 (Goals of Education)

Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

Autumn Christian Value: Compassion

Dear Parents/Carers

Today we welcomed a number of parents and relatives into school for our 'Atlas of Adventures - Are you Smarter than Bunbury Aldersey Quiz'. It was lovely to see so many people

engaging with the activity - perhaps a

little too competitively at times! The learning which has taken place this term has been enjoyable, enthusiastic, engaging and has really ignited our passion to develop a "Love for learning" in all the children within our school family.

Next term our learning will focus around the text Timelines and we look forward to welcoming you once again

into the school at the end of the project to share the learning.

At the end of the day we held our first Advent worship led by Rev Tim. It was again lovely to see so many parents and relatives supporting the event in school. All the children had made a

Christingle during the school day discussing the symbolic representation of each of the components before taking it into our school worship.

On **Sunday 1st December** all parents, relatives and children are invited at 4pm to St Boniface church to join in the Christingle service during which the Christingles will be lit.

School Christmas Fair

We are now at the time of year when we are beginning to plan and prepare for our Christmas celebrations. Our dedicated PTA will be organising a school Christmas Fair on **Friday 6th December at 3.30pm**. There will be plenty of stalls to support and even a chance to see Father Christmas himself in his outdoor grotto. Without our PTA and parents who support this event we would not be able to purchase those little extras for the children of Bunbury School. All money raised this time will go towards our Forest School Area.

School Ethos

As you will be aware being a pupil at Bunbury Primary school is not just about academic standards and achievement. I ensure that the curriculum is vast, exciting and invigorates any learner whilst being underpinned by our 'Everyday Excellence' approach. Time is taken for all the children to be valued and nurtured educationally, creatively and spiritually.

I strive for my pupils and staff to aim high and believe in themselves, ensuring that they leave every door opened and that they always 'Let Their Light Shine'. Over the autumn term we have been working on further developing the ethos of our school so that every child understands what being a pupil at Bunbury means for them. We have worked with staff, governors and children developing our vision and mission statement so that it reflects our practice in school. As a school family we have adopted the following:

A Caring Christian Family Where We Grow Together

Let your Light Shine

Matthew 5v16

At the heart of everything is a personalised approach to each unique individual as part of our Christian Community. The strong family ethos ensures that all children and staff feel valued, respected and grow in self-confidence. Enthusiastic and caring staff with high expectations, demonstrate care of the whole child.

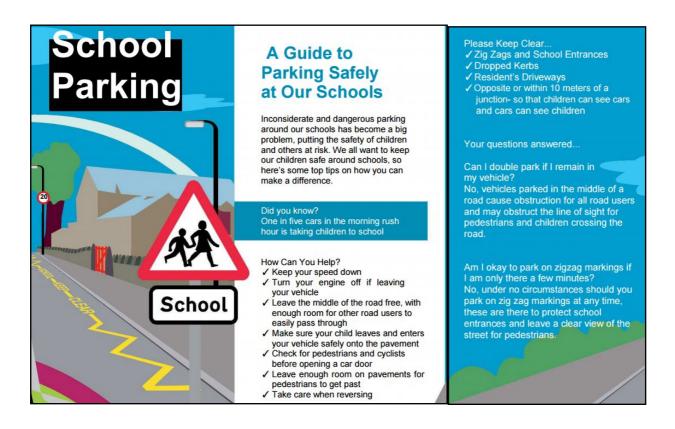

Through God's guidance we encourage each and every child to let their light shine.

One of the areas we have been working on is how we as a school family can extend our arms into the community. Our 'Postcards of Kindness' are short letters from the children which can be written to anyone around the Bunbury area who may just need to know we care. If you would like to nominate any members of the community to whom we can send a postcard to please can you email admin with their name and address so that a card can be written and sent by a child in school.

Parking

Can I please remind everyone to park considerately in the mornings and at pick up. I have noticed that during the recent wet weather there has been a temptation to stop on the zig zag lines to drop children off in the morning and collect at night. It is in the children's best interest that we follow the parking rules and adhere to the coned areas, thus ensuring the safety of all our pupils. Please see the poster below for further guidance. From next week my Junior Road Safety Officers will be joining me outside to monitor the parking. They will be providing a gentle reminder through the distribution of a leaflet designed by one of our pupils in response to our quest for safer roads outside school.

May I wish everyone a good weekend and we look forward to seeing all back at school on Monday.

This term we will be focussing in school on the value COMPASSION.

We hope your family will find these ideas helpful as you explore
the value and have fun together.

TALK ABOUT COMPASSION TOGETHER.

Compassion is about 'standing in someone else's shoes' when they are having a hard time. In other words, trying to understand how they might be feeling and doing our best to try to help.

Talk together about:

- how we can show compassion and kindness to one another at home
- recognising when friends at school need us to listen and act with compassion
- stories in the news demonstrating how strangers show compassion in times of natural disasters
- how nations show compassion to other nations at times of disaster or need by sending money or volunteers to help

THINK TOGETHER Words of Wisdom

"No act of kindness, no matter how small, is ever wasted."

Aesop

READ TOGETHER... The good Samaritan

When someone asked Jesus the question, "Who is my neighbour?" he told a story that surprised everyone who heard it. The hero was from Samaria but those listening were mainly Jews. (Jews and Samaritans usually kept well away from each other.)

"A man set out on foot from Jerusalem to a town called Jericho", said Jesus. The crowd murmured and exchanged knowing glances. They knew this was a lonely, dangerous road, a favourite place for robbers to attack travellers. "As the man reached a rocky and desolate place, a gang of robbers leapt out and beat him. They took all that he had and left him bleeding and bruised. To the man's relief, he saw in the distance a priest from the temple. A priest is bound to help me, thought the man. He waited until the priest came a little closer and then called out, 'Thank goodness it is you. Please Sir, take me to safety.' But to his amazement the priest hurried past pretending not to see or hear him.

As the poor, injured man grew weaker and weaker in the burning midday sun, he once again heard footsteps. Looking up he saw a Levite, another of his own people. 'Please Sir, please help me', he called out. Surely this Levite would take pity on him, but to his horror the Levite just kept on walking.

The man had almost given up hope when he felt a gentle touch on his shoulder. A stranger, a Samaritan, had bent down beside him and was bandaging his wounds and giving him sips of water to drink. The Samaritan helped the man on to his own donkey and slowly, carefully took him all the way to an inn. There he paid the innkeeper to look after the man until he was well. The man never forgot the **compassion** and kindness of the Samaritan stranger."

"Who do you think was a good neighbour?" asked Jesus.

Random Acts of Kindness

Kindness is often appreciated most when it is offered at unexpected times.

Choose one week this term for your family to have "a random acts of kindness" week, and do something kind for someone each day. Try to do it without telling people it was you!

www.randomactsofkindness.org

As well as being kind and showing compassion in what we say, it is often what we do that other people remember.

Draw and cut out the shape of each person's hand in your family. Decorate it with all the random acts of kindness that they have shown. Mount the hands of each member of your family on some paper so they look fantastic and ready to be displayed.

FASCINATING FACTS

What a difference compassion and kindness can make! Numerous charities help people who have been hurt, are ill or suffer through lack of resources. Below are just 3:

. World Vision encourages individuals and groups to 'Sponsor a Child' in an area of the world where food, health and education cannot be taken for granted. For just 75 pence a day the life of a child, in for example Uganda or Bolivia, can be transformed by providing help to grow food, source clean water, improve health services and pay for

www.worldvision.org.uk

. Help for Heroes was set up after many British soldiers returned from war zones in Iraq and Afghanistan. By giving to this charity the public show their compassion for the soldiers and their families and recognise the service they gave on behalf of us all.

www.helpforheroes.org.uk

. Help the Hospices. Sometimes when people become very ill they go to a hospice which will provide them with care and compassion. Often hospices are maintained by donations from people who admire and value their service or who have had a relative who has been helped by the hospice.

A famous bear with a spotty scarf

Pudsey Bear became a national mascot in 1985. He was designed by Joanna Ball and she named him after the small town in Yorkshire where she lived and went to school for many years, Pudsey.

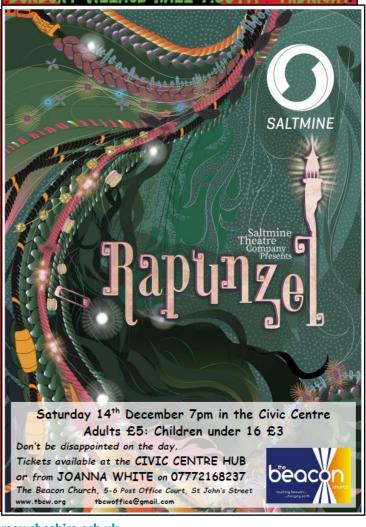

When we see Pudsey Bear we immediately think of Children in Need. This charity has grown enormously since it began and raises millions of pounds every year. Thanks to people all over the country, children in the UK and across the world have come to know real kindness and compassion, made possible by generous donations to the charity. www.bbc.co.uk/pudsey
