Wednesday 8<sup>th</sup> April 2020

Dear all our Bunbury Children,

I am writing to you all because some of you have now entered your third week at home because of the Covid 19 virus. I am sending you this latest message to say hello and to let you know I have not stopped thinking about you. You are all still very special to Mrs Badger and I want you to know and remember that no matter how long we are apart.

I know that you are all strong and caring for those around you and will be a powerful force for good in your homes. Your everyday actions fill me with pride. You are continuing to do the very important job we tasked you with, stopping the spread of the virus by staying at home, washing your hands and dabbing when you cough!

You will of all heard by now what's happening around the world because of coronavirus. Please try not to worry as there are lots of brilliant grown-ups helping sort this tricky problem out. Don't be frightened. You may hear some things that you are worried about, but these are not worries for you. Tell someone you trust about your worry and let them look after it for you.

Keep shining bright and let other people see how wonderful you are by talking to adults about your worries, bringing positivity to your family when they look sad and strengthening them by your humour and kind words.

You are our Rainbow children and a nations hope for a brighter future.

This strange time will pass and at some point, Bunbury school will be together once more.

In the meantime, keep singing, playing and dancing. We are parted from each other for a while, but please keep our Love for Learning alive wherever you are.

With the help of the very talented Mr Gordon I have a very special message for you in the link below. I'd love to see your moves to one of my favourite songs especially if you can get mum and dad dancing too. I will enjoy watching you all on our Facebook and Twitter feeds.

Look after each other Bunbury

Mrs Badger x
