- Ellie told School Council that Eco Club has started up again. Eco club may meet with School Council to decide joint ventures.
- Ellie passed round the new team point tickets that she and William had devised and talked through them. KS1 will tell KS2 who they would like to award team points to and they will fill them out for them. Team points will be awarded for following the four rules and for demonstrating Fruit of the Spirit. We will trial giving out 5 team points a week per School Council Member.
- School Council raised the idea of every class running around the field again. School Council members are going to liaise with their teacher/class about a suitable time to do this so it can be staggered throughout the morning.
- We discussed ideas for end of term treat. They have decided upon a 'Pick 'n' Mix team point treat.
