11th October 2022

Dear Parent/Carer,

Year 3 Trip to Anderton Boat Lift – Monday 31st October 2022

To reinforce our learning this term, we have arranged for year three to take part in a workshop all about rivers at the Anderton boat lift. In this workshop, pupils will learn how rivers work, how the water cycle delivers water to the source of rivers and the factors that influence the size and shape of rivers as they travel down their course. Using a hands-on interactive model, children will see the effect of erosion on a landscape and gain a deeper understanding of geographical features. We will also take a guided journey on their boat, the Edwin Clark.

Our visit has been booked for Monday 31st October 2022. Our coach will leave school at 9:15am and return at 3.00pm. We are kindly asking for a voluntary contribution of £18.45 to cover the cost of the trip.

All children will need a packed lunch and drink in disposable wrapping (no glass bottles, please). Children should wear full school uniform. Also, please could you ensure your child brings a warm waterproof coat with them on the day.

Please consent and make payment online at [SchoolMoney](#) by Monday 24th October.

Many thanks,

Mrs C. Smith

Year 3 Class Teacher
