14th October 2022

Dear Parents and Carers,

Autumn day

As part of the science curriculum in Year 1, children are expected to observe changes across the four seasons and describe the weather associated with each season. Throughout the year, this learning will take place as 4 days - one for each season. Children will spend most of these days outside, participating in messy play and recording their observations.

On **Thursday 20th November**, we will be having 'Autumn day'. In the morning, we will be going on an autumn walk around the village and the afternoon will be spent in our outdoor classroom/woodland area. Please can children come to school dressed in old clothes, which are suitable for the outdoors. Children will be outside for part of the day (whatever the weather!) so waterproof coats and wellies are advised. Please also bring trainers for children to wear indoors.

Our Year 6 buddies will be joining us for the autumn walk around the village. As part of their Geography work, they have planned a route for us to walk.

Thank you.

Miss Cork
Y1 Class Teacher
