- 19 Jul - Last day of term

"You crown the year with your goodness; your paths overflow with rich food."

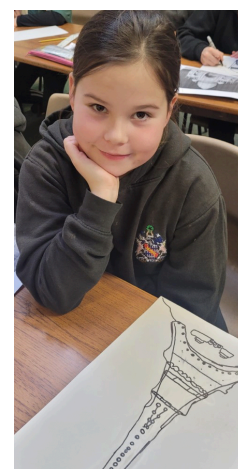

Psalm 65:11

Dear Parents and carers

What a busy week we have had in school.

On Wednesday we held a Rights Respecting Schools day with the children. We began the day with an assembly to revisit the work we have previously done on the UN rights of a child before linking these in various workshops to the UN sustainable goals.

Some fantastic artwork was completed during the day and we look forward to be able to share with you the finished displays soon..

Yesterday our Year 2 children explored the town of Nantwich on their school trip. The children had a great time exploring the history of the town and taking part in a workshop in the museum. Thanks to Mrs McShane and Ms Charlesworth for organising and sharing their photos of the day. Also to all the staff team who accompanied.

Our Year 1 children also enjoyed a winter walk around Bunbury on Thursday afternoon. After which they visited St Boniface church. Such fantastic opportunities to enhance our learning this week

Today we held our Cape Verde day to explore further the new international link which we have forged. A huge thank to Miss Hickson for organising the day and Emilio for joining us to lead with some traditional dancing and music.

As a Rights Respecting Silver school and with the increasing importance of global learning, it is vital that our children are provided with opportunities to learn about life in a different culture. As previously explained, Bunbury has worked to establish an exciting link with Castelao Primary School in Cape Verde (located off the west coast of Africa). We have since received a video of Castelao Primary School and have also sent a video tour of Bunbury School to them to provide an insight into the similarities and differences between our two schools.

Today the children have learnt about the countries culture as well as learning traditional dances and listening to music. There were also art, Geography and language activities in classes throughout the day.

We look forward to providing our children with invaluable experiences and lessons, which teach them about life there as our link strengthens and grows. We are also excited to share our culture and traditions and are delighted to have Castelao Primary as an extension of our Bunbury family.

A huge thank you as always to our fantastic staff team who once again this week have ensured that the curriculum is broad, balanced, engaging and fun but most of all promotes a .....

"Love for Learning"

After meeting with the Directors yesterday I am pleased to say that our new Behaviour for learning procedure will be operational after February half term after being formally approved. Over the forth coming weeks you will hear your children talk about our 3 main key words which replace our 4 school rules. These will be easier for all children to remember. Children will be 'noticed' and praised through our positive noticeboards around school and in classrooms for being SAFE, KIND and RESPECTFUL. A full copy of the new policy will be emailed out next week.

Mental Health week - 6th - 10th February

Next week is mental health and well being week in school. During the week the children will be participating in various activities to support them with their mental health and well being. As a Principal and as a parent I place a high priority on ensuring all our young people are ok but that at times it is ok not to be ok. It is at these times that myself and the rest of the teaching team at Bunbury are there to support.

There are some useful resources on the link below and please don't forget to keep checking in on our school padlet for support at home with mental health and well being.

## PTA 2023

This year they will be continuing to fundraise to help support the development of our outdoor quiet area. This has been a great addition to our playtime space and is already used by a number of children to sit, read, talk, play board games or make models with our lego.

This term we will be looking to add more to this area with astro turf mats, outdoor storage for the lego and games as well as picnic benches with table top games. As well as developing a raised pond and wildlife area for our science and environmental work. **If you feel you are able to support any of these projects either financially or with expertise or equipment please don't hesitate to contact me or the PTA.**

**A Valentines disco will be held in school on Thursday 16th February to help raise money for the development of this area.**

## Sporting News

Sandstone Partnership fixtures for the 2023:

Thurs 19th Jan	y3/4 handball	4-5:30pm sports hall
Thurs 9th Feb	y1/2 handball	4-5:30pm sports hall
