27th March 2023

Dear Parent / Carer,

Further below is the timetable for our after school clubs, which will commence during the **second week** back, following the Easter break.

In a change to previous bookings, your club booking will now run throughout the whole of the summer term (with 1 exception, Science Club), therefore you are signing up until the end of July.

All clubs have limited availability and bookings are on a first come, first served basis.

ALL bookings should be made online via school spider to book/register your child's place. For clubs requiring payment, you will be emailed further instruction regarding payment method once the booking form have closed on spider. Please make payment as soon as possible to secure your child's place.

All spider bookings will open **7pm, Monday 17th April and will close 9am, Thursday 20th April** to allow time for processing and completing registers. Apologies, bookings cannot be made after this time.
