Dear Parents and carers

I can't believe another week has passed by and we are now rapidly approaching the end of the school year. We are all very excited for School Fest next week and over the weekend the rest of the preparations and set up will continue.

On Monday night our team of athletes competed at Deanery sports at Tarporley High School supported by Miss Hickson and Mrs Walker. A huge thank you to both staff members for giving up their evening for the children. The Bunbury children were fantastic as always and showed great team spirit during the events.

Our Year 5 children also enjoyed their tennis session at Bunbury Tennis Club this week. A huge thanks needs to be said to Gary at the club for providing our children with this wonderful opportunity.

Yesterday we held our school sports day for Key stage 1 and Key stage 2. Firstly, I would like to say a huge thanks to all who supported the event even with the need to use our reserve date. A huge thanks needs to be said to Mr Friel for all the work in organising the day but also in making sport fun, enjoyable and inclusive for all. It was great to see all the children enjoying the day and taking part no matter what their sporting ability. A fantastic opportunity to see all being able to "let their light shine" in their own way. Thank you also needs to be said to our PTA who did a seamless and well organised job throughout the day of organising the refreshments and second hand uniform stall throughout the day.

Today our Year 5 pupils have visited Tarporley High School for a STEM day. This is a fantastic opportunity for all children, no matter which High School they are planning to attend to get to see what life in secondary school has to offer

As always none of these opportunities are possible without the commitment of our staff team who ensure that all children are given the opportunity to "let their light shine" in so many different ways.....

Staffing 2023

Further to my letter sent out before May half term I am delighted to announce that we have interviewed and appointed Mrs Rebecca Dewsbury as class teacher for Year 3 from September 2023. Mrs Dewsbury will be a great addition to our team from September and we look forward to welcoming her into school week beginning 10th July to work with our current Year 2 children alongside Mrs McShane.

School Fest is back....

As you will be aware from our recent communication School Fest is back next week. Today your child will come home with their school fest t-shirt to be worn next week with their own clothes throughout the week. I know that both staff and children are very excited at it's return and we are delighted to be able to offer a wider range of activities once again this year for all the children in school. A huge thanks needs to be said to our staff team for the commitment to the Schools Fest project and in particular Mrs Armitage for her organisation.

During the week the children will take part in a number of activities. Favourites such as silent disco, forest schools will return with a few new and exciting additions. All children in KS2 will also be given the opportunity to take part in an overnight camp on the school field during the week. I look forward to being able to share with you many magic moments as we move through the week.

Continued reminders....Parking

This week I had my first meeting with our school parking committee. We have a number of actions that we will be completing as we work together to try and resolve the parking outside of school. I will be sending a letter out next week outlining some of the next steps we are planning to take. In the long term our plan is to still have a school car park on our adjacent field however this will not be an immediate solution.

In the interim we continue to ask that parents are respectful with their parking and take the safety of all children and pedestrians into account whilst parking outside school. **Whilst this is not illegal it is inconsiderate parking and does cause a real hazard at the start and end of the school day for children crossing the road.**

Please can I also ask that the bus bay is used for the school bus only.

Dogs

Please can I remind parents/grandparents and carers that dogs cannot be brought onto school property. If dogs are to be fastened outside of school during collection please can this not be at the end of the drive as there are a number of children who feel anxious around dogs and this makes coming into school difficult for them.

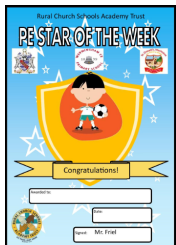

School Payments

We politely request that you all login into your SchoolMoney account and clear any outstanding payments before the end of term. For those in Year 6, if you have credits remaining on your account, these will be used for any forthcoming trips the class will have and what remains will be either be transferred to a younger sibling or refunded back you at the end of the school year.

PE Award

This weeks award goes to the **whole school** for an absolutely amazing Sports day!

Mrs Badger's Weekly Awards

We have now been awarding children with different Christian values for a while based on the half termly focus value. We will still be working on a half termly value within school and this term we will be focusing on : Truth. Now that the children have a deeper understanding of our Christian Values we will be asking them to help choose a child from their class each week. This could be in recognition for any value we have been working on in school
