10th January 2024

Dear Parent/Carer,

Shortly, Y5 have an exciting activity to look forward to and I would like to remind you of some of the details.

Bikeability Level 2 - Tuesday 30th and Wednesday 31st January 2024

Children will gain a comprehensive knowledge of positioning, signalling, negotiating a variety of junctions and general road safety awareness whilst completing their Bikeability training. On both days, please provide your child with the following:

- A suitable bike
- Bicycle helmet
- Gloves are advised
- Warm, waterproof clothing - **children should come to school on both days in their own clothes, not their uniform.**
- Healthy morning snack, suitable to carry in a pocket

On both mornings, bikes should be brought into school via the usual side entrance and will be stored securely until required. You may provide a plastic bag to act as a seat cover in case of rain. Those children who cannot easily bring bikes back and forth to school each day are able to leave them at school overnight, where they will be held securely within the school grounds. Bikes left overnight should be securely locked with your own bicycle lock. Please be aware, school cannot take responsibility for them and they are left at the owner's risk.

Thank you for your continued support.

Mrs C Smith
Y5 Class Teacher
