22nd March 2024

Dear Parent / Carer,

Please see over-page for our after school club/activity timetable for the Summer Term.

No clubs will roll-over, if you would like your child to attend a club, you must book their place via spider. Sports Club and Science Club are only bookable for the 1st half of term as they will switch key stage after the half term break for fairness. We also have some new clubs starting, information on these clubs is further below.

All clubs (bar 2), will commence during week 2 following the initial booking period during week 1. Please be aware that no clubs will run during School Fest week (w/c 8th July).

All clubs have limited availability and bookings are on a first come, first served basis. All bookings should be made online via school spider, please ensure you check the timetable for the opening day and time of your chosen club.

For clubs requiring payment - you will be emailed further instruction regarding the payment method once the booking forms have closed. Please make payment as soon as possible.

For clubs that are free to join - you will not receive confirmation of your child's place; if you are able to make a booking on spider, then they do have a place. If a club exceeds its allocated places available, it will be removed from spider and therefore cannot be booked. In this instance, should you still wish to have a place, please email admin to be added to a waiting list.

Info on New Clubs

Well-Being Club – Year 6 only

Mrs Cowap will lead a Well-Being club in the run up to SATs. The club will take place for **4 weeks only** and is free to join. The dates for the club are: Monday 15th, 22nd, 29th April and 13th May.

Children will work on strategies to help support them through SATs or other stressful situations. Children will make/build their own support pack, be able ask questions about SATs, listen to music.

Book Club – Year 4 & 5

Mrs Smith will lead a book club which will shadow the Yoto-carnegie book awards for writing. Children will read an age appropriate selection of short listed books and will take part in lots of interesting book activities. For more info please follow the link <https://yotocarnegies.co.uk/about-the-awards/> Club will run for 10 weeks and finish on June 26th.

Magic of Song Writing – Years 4, 5 & 6

Designed for all children from Years 4 to 6 who love music, regardless of ability. The club offers an opportunity for children to work and learn together in a creative space they may never have experienced before and share in the fun and excitement of creating something unique. The additional legacy of the sessions will be a greater understanding and appreciation of songs of all genres. Who knows, we might even be lighting the spark of inspiration for the next generation's Ed Sheeran or Taylor Swift! Club will run for **4 weeks only**.

Gardening Club – Year 4,5 & 6 (starting after the May Half-term on a Thursday)

Parent helper Mrs Hitchmough and staff member, Ms Charlesworth will run a gardening club for children who wish to learn more about gardening and plants. Children will help tend school gardens, working with tools.
