12th July 2024

Dear Parents and Carers,

STAR Day (Success, Targets And Reflection)

As you may be aware from our weekly newsletter, Star Day is scheduled for **Tuesday 16th July, 2pm-5pm.**

At 2pm you are invited into school to celebrate your child's achievements, share books and learning. The aim of the afternoon is to enable parents and carers to discuss their child's achievements, evaluate progress and discuss next steps in learning with your child so that we are all working together to ensure the best outcomes. You can come in at any time between 2-5 pm to do this and appointments are not necessary.

We will ask you to complete a short form with your child as you discuss their work which identifies what your child has been successful at as well as targets you can create together. The aim is to work in partnership with you and co-create effective and achievable targets for your child and also to reflect on the progress they have made this year. We hope that the afternoon will be an enjoyable and supportive experience for all involved.

If you require an individual appointment to discuss progress in greater detail following the distribution of your child's end of year report earlier this week, please email the school office and individual teachers will discuss this with you regarding arranging a mutually convenient time.

We will also have the Scholastic Book Fair open on this day for any book purchases.

Kind regards,

Nic Badger
School Principal
Executive Headteacher for RCSAT
