

# Autumn 2 Takeaway Homework

Please choose one task from the Takeaway Homework menu below to be handed in on Wednesday 18<sup>th</sup> December.

<p><b>DT:</b> Make a model of an owl.</p>	<p><b>STEM:</b> Create a habitat for an owl. Think about the three key words from our science lessons: shelter, protection and food. Can you ensure your habitat provides all three for an owl?</p>	<p><b>Geography:</b> Create a riddle to describe your favourite continent. Include prepositions, habitats and directional language to help Miss Cork guess!</p> <p>Write your riddle in a creative way. E.g. flap book or on a map.</p>
<p><b>Geography:</b> Make a map of oceans and continents. Can you create a key to show different habitats? E.g. rainforest, artic, desert etc.</p>	<p><b>Art:</b> We have been learning about Guy Fawkes in History this term. Can you create an image of fireworks? Chalk works great for fireworks or painting with a fork!</p>	<p><b>Science:</b> Create a factfile/poster about an owl. What do they eat? Where do they live? What do they look like?</p>
