

Take Away Homework!

Choose your homework from the menu below:

The Peri-ometer suggests the difficulty or challenge the homework may offer. This half term you must attempt a task from the list below. We expect high quality work which shows research, thought and care with presentation. Bring your work back to school to share with the class. Please bring in your finished takeaway homework on Wednesday 12th February and Wednesday 2nd April.

<p>Draw your own Galapagos Islands and create your own animals. Describe how they have adapted to their environment.</p> <p>Art/English/Science</p>	<p>Make a volcano from one of the Galapagos Islands.</p> <p>DT/Science</p>	<p>Build a model of the Galapagos Islands or the HMS Beagle using recycling.</p> <p>DT</p>
<p>Create a healthy, edible model of the Galapagos Islands or a recipe of a traditional Ecuador meal.</p> <p>Maths/DT</p>	<p>Write a travel guide to the Galapagos Islands.</p> <p>English</p>	<p>Draw a family tree of Charles Darwin and write facts about his life.</p> <p>English/History</p>
<p>Research the debate between evolution and creationism and why the majority of the public did not agree with Darwin's theory.</p> <p>RE</p>	<p>In order to go on a voyage, you need to be able to swim. How far can you swim? Can you time yourself?</p> <p>PE</p>	<p>Research animal conservation projects in the Galapagos Islands. Write down some facts about the work they do and the animals.</p> <p>Geography/English</p>
<p>Create a map of the Galapagos Islands with coordinates.</p> <p>Maths/Geography/Art</p>	<p>Choose a book linked to the topic and write a book review. Can you summarise the main points and share it with the class?</p> <p>Reading</p>	<p>Free choice! Choose anything you have been learning about in class and research it more and present it in a form of your choice. These are some more ideas: Fact file, board game, write a letter, make a quiz, make a PowerPoint, model of an animal and research.</p>
