Matthew 22:36-40

"Teacher, which is the greatest commandment in the Law?"

Jesus replied: "Love the Lord your God with all your heart and with all your soul and with all your mind." This is the first and greatest commandment. And the second is like it: "Love your neighbour as yourself." All the Law and the Prophets hang on these two commandments."

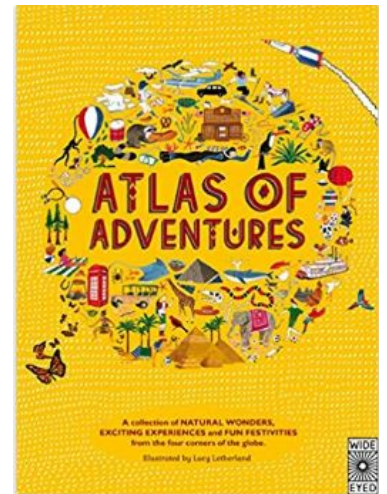

Unicef Article 29 (Goals of Education)

Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

Dear Parents/Carers

We have all enjoyed our first full week back in school. There has been a buzz and excitement around the classrooms as we find out more about our learning for this term.

Based around the text, Atlas of Adventure, our learning for autumn will focus on different countries around the world. Through our connected curriculum approach children will explore their theme as geographers, historians, scientists, artists and designers. We look forward to being able to share some of their work with you later this term.

This week we have welcomed Nicole in year 2 and her family into our school. I hope you have enjoyed your first week in our school and we all look forward to sharing in your learning journey whilst at Bunbury.

Over the summer our EYFS outside area has been completed. I know the children have thoroughly enjoyed their outdoor time again this week in our new area and it is having a huge impact to our EYFS provision and learning.

We will be holding open mornings for reception 2020 starters later on this half term on 2nd and 9th October 9.30 - 11.30 am. If you know anyone who will be requiring a reception place for September 2020 please pass on our school details.

Partly funded by the PTA, projects like the EYFS area, are crucial to developing the school. The PTA at Bunbury school have always been supportive and active members of our school family raising money in the past for projects such as the all weather running path. Our annual PTA AGM will be held this year on Wednesday 25th September at 6pm in the school hall. All our welcome to join as we are always looking for new ideas to fundraise for the school. After a number of years leading our PTA Mrs Hannah Pugh will be stepping down from this role due to work commitments. As a school we thank her for all the time energy and enthusiasm she has put into the PTA. If anyone would like to take up this post we will be looking for nominations at AGM.

I would like to say a big thank you to Mr Rosser (Dad to Chloe in reception) for kindly donating his companies old laptops to school. The laptops will prove to be a great addition to our existing equipment and will mean we now have a full class set. One of our school priorities this year is to further improve our technology facilities for the children in terms of access to equipment and skill development. As principal at Bunbury, I am always amazed by our parents generosity. If any more parents know of companies who wish to donate technology to school, please do get in touch.

Thank you as always for your continued support. I am very much looking forward to leading our school again through this academic year with all the enjoyment, excitement and challenges that may bring. I hope you enjoy your weekend and we look forward to seeing you all on Monday morning.

Sports News

A Huge Congratulations to the Y5/6 Tag Rugby Team who played in the first Sandstone Partnership Sports tournament of the year on Thursday evening. The children played some incredible rugby displaying superb teamwork, skill and determination throughout. The matches were magnificent to watch and made everyone watching appreciate just how brilliant the Bunbury children played. Bunbury managed to gain 2nd place with one of the tightest ever finishes to a tournament, the winner being decided on who got the biggest winning margin in a match. Bunbury and Delamere won the same amount of matches, scored the same amount of tries and drew against one another. A truly nail biting finish! Well done all!

School Parking

A Guide to Parking Safely at Our Schools

Inconsiderate and dangerous parking around our schools has become a big problem, putting the safety of children and others at risk. We all want to keep our children safe around schools, so here's some top tips on how you can make a difference.

Did you know?
One in five cars in the morning rush hour is taking children to school

How Can You Help?

- ✓ Keep your speed down
- ✓ Turn your engine off if leaving your vehicle
- ✓ Leave the middle of the road free, with enough room for other road users to easily pass through
- ✓ Make sure your child leaves and enters your vehicle safely onto the pavement
- ✓ Check for pedestrians and cyclists before opening a car door
- ✓ Leave enough room on pavements for pedestrians to get past
- ✓ Take care when reversing

Please Keep Clear...

- ✓ Zig Zags and School Entrances
- ✓ Dropped Kerbs
- ✓ Resident's Driveways
- ✓ Opposite or within 10 meters of a junction- so that children can see cars and cars can see children

Your questions answered...

Can I double park if I remain in my vehicle?
No, vehicles parked in the middle of a road cause obstruction for all road users and may obstruct the line of sight for pedestrians and children crossing the road.

Am I okay to park on zigzag markings if I am only there a few minutes?
No, under no circumstances should you park on zig zag markings at any time, these are there to protect school entrances and leave a clear view of the street for pedestrians.

ict rules

- We always ask permission before using the ICT equipment. 
- We learn to keep our passwords a secret. 
- We only ever log onto a computer as ourselves. 
- We never give out our names, phone numbers or home address to anyone. 
- We never arrange to meet someone we don't know - ask an adult we know and trust first. 
- We only use websites that an adult has chosen or knows about. 
- We can write polite and friendly emails to people we know. 
- We close any website we don't like and tell an adult. 
- We never open emails from anyone we don't know. 
- We know who to ask for help if we're not sure about anything. 

We know it's important to follow these ICT rules to keep us safe and to treat equipment with care
