Matthew 22:36-40

"Teacher, which is the greatest commandment in the Law?"

Jesus replied: "Love the Lord your God with all your heart and with all your soul and with all your mind." This is the first and greatest commandment. And the second is like it: "Love your neighbour as yourself." All the Law and the Prophets hang on these two commandments."

Unicef Article 29 (Goals of Education)

Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

Dear Parents/Carers

We have come to the end of our first half term of the new school year - what a fantastic 8 weeks we have had. There have been a number of activities, adventures and new opportunities for learning over this time and the school has been filled with an excitement and enthusiasm. Our new reception children have settled in well and I am sure they are all now very tired and ready for a break.

This week we received back our homework journals and Take Away Homework projects. As a school we were generally pleased with the level of work in terms of quality and quantity the children had undertaken in their journals. This will of also been reported back to you at parents evening, perhaps also with suggestions on how children can be supported further at home. One of the highlights of receiving back homework is seeing the Takeaway homework return. I have been particularly impressed this time with the creativity, care and quality of the projects produced and we enjoyed sharing these as a school on Wednesday morning. Whilst I have enjoyed looking at all children's working I was

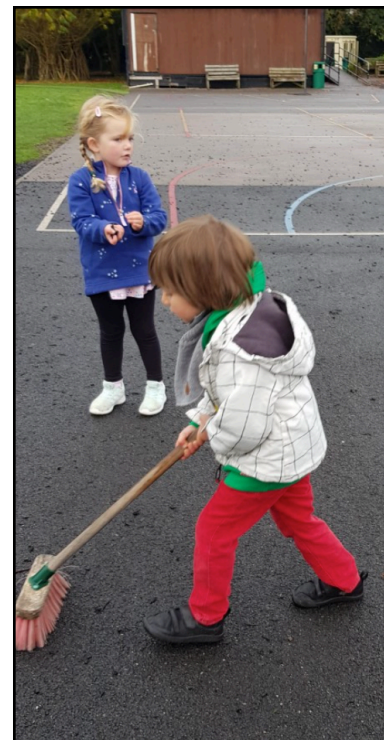

particularly impressed with the invention of Tristan in year 1. Tristan arrived at school on Wednesday morning driving his 'Zambezi Amphibious Vehicle' down School Lane. He then went on to test it around our running path, the fastest time was 79 seconds!

This week we also held our first parents evening of the school year. It was fantastic to see so many parents attending the sessions and to hear the very positive feedback about the school. As always our year 6 team of helpers organised the evening, welcoming all visitors to the school, collecting parents for their appointments and most importantly ringing the school bell to keep the teachers on time! I have received lots of positive praise for the Year 6 children who took part and I am sure you will all agree they did a fantastic job.

Big Tidy Friday

Despite the wet conditions we continued with our Big Tidy Friday today. I would firstly like to say a huge thank you to the following parents who despite the adverse weather conditions have cleared foliage, in particular a large crop of nettles, from the front and rear of the building. Thank you to **Mrs Kearns, Mrs Lomax, Mrs Webster, Mrs**

Walker and Mrs Hughes - your support is very much appreciated. Both inside and out there has been a hive of activity with all children participating in some form to tidy and look after their school environment. Look out for the next Big Tidy Friday date.

School Uniform

Just a reminder that after half term children need to be wearing our winter uniform in school. I have noticed over the last few weeks that a number of children have been coming to school without ties and wearing trainers. Whilst I do appreciate that ties go missing and children's feet do grow, please can we ensure that **ALL** children are wearing the correct school uniform all the time. Thank you.

Winter Uniform

EYFS:

Boys: Black trousers, school logo polo shirt, school logo sweatshirt (green). Black socks, black shoes.

Girls: Tartan skirt, school logo polo shirt, school logo sweatshirt (green). Black tights, black trousers (no leggings), black shoes (preferably velcro fastening, no heels).

Year 1-6:

Boys: Black trousers, white shirt, school tie, grey jumper (green stripe), Grey Blazer, Black socks, black shoes.

Girls: Tartan skirt, white shirt, school tie, grey jumper (green stripe), Grey Blazer. Black tights, black trousers (no leggings), black shoes (no heels).

In addition all KS2 children are to wear a blazer.

Parking

As we may experience more adverse weather over the next few months as we come into the winter months, I would like to remind everyone about parking considerably around school. Not only does parking at times cause issues for the local residents but more importantly it can put our children in danger. As you will have seen earlier this term Oliver in year 4, designed a poster which we have made into leaflets ready to place of any offending cars.

If you are able to walk to school, to help reduce the parking issues or indeed cycle it would be fantastic to see. I have been particularly impressed with Archie in reception, and Tristan in year 1, who regularly cycle to school. It would be fantastic to see more children taking on this challenge in the morning.

After school collection

Please can I ask that children/parents do not use the climbing and play equipment when collecting children after school. These pieces of apparatus are strictly supervised during the school day and children know that they should not be on them without adult supervision. Please can I ask that children are not allowed to play on these once they have been handed over by the class teacher.

May I once again thank you all for your continued support this half term. I would like to wish everyone a happy half term and we look forward to seeing everyone safely back in school on **TUESDAY 5TH NOVEMBER**.

Sports News

Y5/Y6 X-Country

Congratulations to the boys and girls of Y5/6 who took part in a testing cross country course at Tarporley High School on Thursday evening. The positivity and belief to do the best they can put them in good stead as every child ran brilliantly with some managing to gain a host of medal positions. A fantastic way to finish our first half term of sport at Bunbury. Well done all!

Y5/6 Basketball CANCELLED- A message from Tarporley High School regarding the cancellation of the Y5/6 Basketball tournament Thursday 7th November; 'Unfortunately the year 5/6 basketball will be cancelled the first week back after half term, as the year 11 mock exams have now had to be extended, so we will be without a sports hall. Apologies for this and at the moment, due to the school calendar, we are unable to rearrange this to another Thursday, as there are none!'

Sports for Champions - Monday 11th November

Please can all sponsorship forms & money be returned week commencing Tuesday 5th November

Sports for champions are coming to visit our school, all pupils will be taking part in sponsored fitness circuit. Team GB Gymnast Daniel Purvis will be working with the children throughout the event and will present a powerpoint assembly for pupils to learn how he first starting in sport and about his nutritional needs to keep his body in optimum condition. This will be followed by a gymnastic demonstration, finishing off with a Q & A session. This a great way to raise funds for school sports equipment and Team GB athletes.

Aldi's Kit For Schools

We are taking part in Aldi's Kit for Schools promotion which is giving 20 primary schools the chance to win £20,000 to kick-start a health legacy for their school. What's more, every school who enters by completing their Aldi's Kit for Schools poster will also receive an exclusive school sports kit! Collect a Team GB Sticker with every £30 spent in store and help fill up our school's poster. Once complete with 300 stickers we will send the poster back to Aldi so we can receive an exclusive sports kit and to be in with a chance to win £20,000 for our school.'

Scratch Strings Orchestra/Group

We would like to start a scratch strings orchestra/group to play a couple of carols for the school Christmas Carol concert. We are looking for any level of player from beginner to expert to join us, both children and parents/carers.

Music will be given out after half term so that people can practice individually before we then get together to practice after school on Mondays in later November/December.

Any questions, please ask Helen Tillett

School Parking

A Guide to Parking Safely at Our Schools

Inconsiderate and dangerous parking around our schools has become a big problem, putting the safety of children and others at risk. We all want to keep our children safe around schools, so here's some top tips on how you can make a difference.

Did you know?
One in five cars in the morning rush hour is taking children to school

How Can You Help?

- ✓ Keep your speed down
- ✓ Turn your engine off if leaving your vehicle
- ✓ Leave the middle of the road free, with enough room for other road users to easily pass through
- ✓ Make sure your child leaves and enters your vehicle safely onto the pavement
- ✓ Check for pedestrians and cyclists before opening a car door
- ✓ Leave enough room on pavements for pedestrians to get past
- ✓ Take care when reversing

Please Keep Clear...

- ✓ Zig Zags and School Entrances
- ✓ Dropped Kerbs
- ✓ Resident's Driveways
- ✓ Opposite or within 10 meters of a junction- so that children can see cars and cars can see children

Your questions answered...

Can I double park if I remain in my vehicle?
No, vehicles parked in the middle of a road cause obstruction for all road users and may obstruct the line of sight for pedestrians and children crossing the road.

Am I okay to park on zigzag markings if I am only there a few minutes?
No, under no circumstances should you park on zig zag markings at any time, these are there to protect school entrances and leave a clear view of the street for pedestrians.

ict rules

We always ask permission before using the ICT equipment.

We learn to keep our passwords a secret.

We only ever log onto a computer as ourselves.

We never give out our names, phone numbers or home address to anyone.

We never arrange to meet someone we don't know - ask an adult we know and trust first.

We only use websites that an adult has chosen or knows about.

We can write polite and friendly emails to people we know.

We close any website we don't like and tell an adult.

We never open emails from anyone we don't know.

We know who to ask for help if we're not sure about anything.

We know it's important to follow these ICT rules to keep us safe and to treat equipment with care
