Isaiah 41:10
 "So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand."

Dear Parents/Carers,

What a busy week we have had! On Monday our Year 6 children enjoyed an art workshop with Russel Kirk. In preparation for Village Day tomorrow the children have created Medieval style banners which we will be displaying in the parade tomorrow through Bunbury. The parade will begin at Heath Villa, School Lane. I will be walking with the children but also ask if parents could accompany their children/child also. For those joining in the parade we are suggesting a Medieval themed costume – let’s see how creative you can be. Could all who wish to take part in the parade with the school please gather at **Heath Villa by 12 noon** and report to Mrs Badger.

On Tuesday our Year 4 and 5 children finally managed to get their trip to the zoo. Postponed due to covid back in Autumn 2021 the children had the opportunity to take part in some animal themed workshops before exploring the zoo grounds. The children thoroughly enjoyed the day and it was fantastic to finally be able to have the trip take place.

Thursday our Year 4 children played at Bridgewater Hall in Manchester. Over the past 12 months they have been learning to play a brass instrument in a weekly group ensemble session provided by the school. Miss Snelson reports that the children were incredibly during the rehearsal and also the performance and I know that this was thoroughly enjoyed by all the parents and carers who attended. Well done Year 4 we are all very proud of you.

This week I also had the pleasure of accompanying our Year 6 pupils with Miss Hickson and Mrs Walker to the Conway Centre on Anglesey. The residential, organised by Tarporley High School is part of their transition package offered to all year 6 pupils moving

into Year 7. I am proud to say all our children were impeccably well behaved during the visit. New friends were made and relationships were formed with their new secondary school teachers and tutors. During the week the children took part with their new tutor groups in a range of activities including art, water sports, beach visit or a trip to Beaumaris. There was even time for a spot of shopping in the Conway centre gift shop and a end of residential disco on Thursday night before we returned on the Friday.

Scholastic Book fair

Each year we hold a book fair in school whereby a whole host of beautiful books are able to be purchased, which in turn raises funds to purchase new books for school. In previous years we have raised more than £900 towards new books for school and it would be wonderful if

we're able to do the same again this year! The children will be able to view the books over Monday and Tuesday next week, ready for the sale to officially open on Wednesday, during our Sports day. This year, payments will be made electronically via a specific QR code.

As we move into the next few weeks there are as you will see from our diary dates above a number of events are taking place.

Sports Day - Wednesday 29th June (reserve Thursday 30th June)

We are also delighted this year to be able to welcome parents, carers, grandparents etc to our school Sports Day. This will take place on Wednesday 29th June with a reserve day on Thursday 30th June. Should the weather not be looking favourable a decision will be communicated promptly to all via text and email that week. **During the day the PTA will be running cake, refreshment and tombola stalls.**

Sports Days will commence at the following times:

Reception and Key Stage 1 - 9.30am

Key Stage 2 - 1.30pm

STAR Day - Thursday 14th July (2-4pm)

STAR Day (Success, Targets And Reflection)

As you may be aware from our newsletter diary dates, Star Day is scheduled for this Friday 14th July, 2pm-4pm. This is the first time we have been able to hold the event for 2 years and we are delighted that Star Day is returning in it's original form. At 2pm you are invited to celebrate your child's achievements, share books and learning. The aim is to enable parents and carers to discuss their child's achievements,

evaluate progress and discuss next steps in learning with your child so that we are all working together to ensure the best outcomes. You can come in at any time between 2-4pm to do this. We will ask you to complete a short form with your child as you discuss their work which identifies what your child has been successful at as well as targets you can create together. The aim is to work in partnership with you and co-create effective and achievable targets for your child and also to reflect on the progress they have made this year. We hope that the afternoon will be an enjoyable and supportive experience for all involved.

Bunbury Primary School
Sporting Fixtures:
Summer Term fixtures to date

At Bunbury, we are blessed to have so many sporting opportunities for children from our reception class right through to Year 6. Under the instruction of our sports partnership at Tarporley High School, we participate in various sporting competitions throughout the academic year from dodgeball to gymnastics to name but a few. These events are all organised by the High school and as a school we are extremely thankful to the time they invest in organising these events for their primary partners.

We always take considerable time when making team selections to ensure that firstly, those who may wish to take part maybe offered the chance and secondly, to ensure that children are chosen in order to develop their skills, abilities and self- confidence. It is though not always possible each time to take all children who volunteer as numbers are often restricted.

Our teams and squad selections are done on a rotational basis with a core of children chosen who excel in a particular sport in order to hone their abilities within a competitive environment alongside those children who show enthusiasm and want to have a go at taking part in a collaborative team sport.

Some may believe that we should be going into a competition to win with the strongest team. However we all know that part of becoming a good well rounded sports person is learning that you may not win each time and to work as a team.

Both myself and Mr Friel agree that our team selection will never become elitist as this does not sit with our school vision of 'Let your light shine.' We will always ensure that there is an equal mix of those who excel and those who show enthusiasm and a desire to try something new within a competitive environment.

Thurs 16 th June	Y5/6 Tennis	4-5:30pm
Thurs 23 rd June	Y3/4 Tennis	4-5:30pm
Thurs 7 th July	Y4/5/6 Kwik Cricket	TBC

As we receive the fixture list through the academic year we will update the sporting fixture calendar below so that as much notice as possible is provided. There maybe times when due scheduling of staff events and training we may not be able to take a

team to represent the school.
