

*Eco committee 2022  
update*

---

The next phase for the eco committee

# HELLO GOVERNORS

# Members

Supervising Teacher: Mrs Badger

Committee Head: Mia Anderson

Eco Champions: Harriet Stevens, Reuben Yates, Isabella Anderson  
Zachary Jubert.

We have added two new members: Keira Marshall and Matilda Murray

# *Green Day*

- We organised an Eco fundraising day for the whole school.
- All children were invited to wear green and donate £1 to the Eco Committee.
- We raised £131.50 in total.

# Team Fern

- We are planning to go to the garden centre this term (now that SATS, School Fest... are over!) to purchase ferns for the outdoor area.
- We have found a reliable group of children, in Years 4-6, that we call 'Team Fern' who will look after the ferns.
- We are also going to buy compost bins.

# Year 5

- Our committee have visited year 5 and explained the importance of the committee and many children believe they are up to the task.
- We have also asked Mrs Gabriel for her recommendations.
- We have written a list of those children who are interested in the role (Amelia, Esme, Elsie, Sky, Bertie).

## *Next steps*

We will soon be sending some of our committee to the garden centre to buy ferns, a compost bin and maybe even bird houses.

We are going to complete a litter pick over the next couple of weeks.

Our group will also be selecting the next committee from year 5 to take over.

# *Our hopes*

- We hope that by 2025, through other generations of the eco committee, our school will be entirely educated on the importance of being eco friendly.

# *Thank you for your time!*

- This may be the last time we will speak to you so we wish you good luck with the next eco committee and thank you for guiding us through the past year.
- PS: thank you for the cake!
